

The TruMACC Transition Program is a joint admission effort between Moberly Area Community College and Truman State University. Students enjoy the university experience offered at a 4-year university while taking advantage of the affordability and diverse levels of academic preparation found at a 2-year institution. TruMACC is a highly collaborative program with academic advisors, faculty and staff at MACC and Truman working together to facilitate student success.

TruMACC students are enrolled full-time between both institutions (9-12 credit hours at MACC and 3-6 credit hours at Truman State University). Minimum progress requirements include a cumulative combined 2.75 grade point average with no grade lower than a C. Although formal application for transfer admission to Truman can occur after completion of 12 credit hours, earning the Associate in Arts degree or 60 credit hours with a 2.75 qualifies the TruMACC student for automatic admission to Truman. Students who do not meet TruMACC requirements are subject to the institutional requirements of the two institutions.

Students may enter the TruMACC Transition Program from a variety of avenues:

- 1) Fully admitted to Truman but prefer to initially attend a community college.
- 2) Admitted to Truman contingent upon successful completion of the TruMACC program.
- 3) Admitted to or attending MACC and referred to the TruMACC program.

	Truman	MACC
Admission	The Truman application for admission, MACC application for admission, and TruMACC supplement must be completed to enter the program via Truman State University.	The MACC application for admission and TruMACC supplement must be completed to enter the TruMACC Transition Program via Moberly Area Community College. Students with an intent to transfer to Truman may wish to opt in to this program to help acclimate themselves to the four-year experience.
New Student Orientation	TruMACC students are required to participate in Truman's Orientation Program and Truman Days activities (fall only) in order to acclimate to the Truman campus experience.	TruMACC students are required to attend the half-day MACC Greyhound Orientation, which will help familiarize students with many aspects of MACC (fall only).
Academic Advising	Academic advising for Truman courses is provided by an advisor in Truman's Center for Academic Excellence (CAE) in coordination with the MACC Advisor.	Academic advising for TruMACC students is provided by a designated MACC Advisor in coordination with Truman advisors.
Academic Support	Center for Academic Excellence (CAE), departmental tutoring, the Writing Center, and Pickler Memorial Library services are available to all students.	In-person, virtual, and online tutoring is available for all students. The LARC offers Library and Academic Resource Center services at the Kirksville location.
Financial Aid	The consortium agreement formed by MACC and Truman allows eligible students to receive financial aid based on their combined enrollment at both schools. Financial aid is coordinated through MACC. Students eligible for the Access Missouri Grant (12,000 or less EFC) will be awarded a \$2,500 University Housing Grant to apply toward residence hall room costs.	All financial aid for eligible TruMACC students is disbursed by MACC's Financial Aid Office. A+ eligible students are required to enroll full-time between both institutions (9–12 credit hours per semester at MACC and 3–6 credit hours at Truman.)
Student Business Services	Truman's Business Office, located in McClain Hall, includes: <ul style="list-style-type: none"> • Student Accounts (billing and loans) • Cashiers (in-person payments) • Payroll (student and employee) • Accounts Payable & Purchasing 	Business Office services at MACC Kirksville include student accounts, cashiers, scholarship information, refund information, and loan information. Visit www.macc.edu/business-office-home .

Diversity & Inclusion	The Center for Diversity & Inclusion (diversity.truman.edu) and the Center for International Students (Truman.edu/international) are located in Baldwin Hall and provide a support system for underrepresented and international students.	The MACC Multicultural Club is open to all students. Designated international advisors are housed on the Moberly and Columbia campuses and can provide specialized advising and support for international students attending MACC's Kirksville location.
On-Campus Housing & Dining	TruMACC students benefit from living in Truman's residence halls. The housing application and \$150 fee/deposit must be submitted to receive a housing assignment. Truman meal plans offer students a variety of options at three dining halls, convenience stores, and the Student Union Building.	MACC does not provide residential housing at its Kirksville location.
On-Campus Parking	On-campus parking permits are distributed by the Department of Public Safety, located in the General Services Building. Visit police.truman.edu/parking-services .	A parking permit is not required at MACC's Kirksville location.
Student Health Services	Truman's Student Health Center is located in the McKinney Center. It has nine staff members to assist students with health issues.	Health center services are not provided through MACC.
Counseling Services	University Counseling Services is located in the McKinney Center where services are available to all students. Visit ucs.truman.edu .	MACC's Student Assistance Program is available to all students. Visit www.macc.edu/student-assistance-program .
Recreational Facilities	Truman's Student Recreation Center is located on Franklin Street and offers a wide variety of activities and services for students. Visit truman.edu/recreation .	The MACC Activity Center is located on the Moberly campus. Students at all MACC locations are welcome to use the athletic facilities as well as attend the variety of events held at the Center.
Student Activities and Organizations	TruMACC students enjoy the experiences offered on the Truman campus including residence hall living, athletic events and the many student clubs and organizations. Involvement in varsity athletics and competitive club sports is restricted. Visit csi.truman.edu/studentorgs to view a list of student organizations!	Students may participate in a variety of organizations and activities. Information about MACC student organizations can be found online at www.macc.edu/about-macc/student-organizations .
Student Conduct	TruMACC students are subject to the Truman Student Conduct Code. Information on the Student Conduct Code, Student Handbook, student rights, as well as other student information can be found at truman.edu/conduct .	TruMACC students are subject to the MACC Student Code of Conduct. Policies regarding student behavior are outlined in the Student Handbook (Redbook) at www.macc.edu/student-handbooks .
Student Employment	TruMACC students may seek employment off-campus.	Limited work-study positions may be available at the Kirksville site.
